The NHMTA *Sr. Anita Marchesseault Teacher-Member Award* is given biennially in even-numbered years to honor outstanding teaching in music and outstanding service to the membership of NHMTA. Nominees must have been members of NHMTA for at least five years prior to the year of the award and have demonstrated fine teaching skills to their colleagues through the success of their students. In addition, nominees must have a record of service to the association in an elected or appointed office. A person may be honored with this award only once.

Any NHMTA member can nominate a colleague for consideration for this award. To propose a candidate, a letter of nomination must be submitted to **Cheryl Laughlin, 64 Dunklee St., Concord, NH 03301** by **May 29, 2020**. Letters of nomination should include a statement of support by the nominator, a record of the nominee's teaching achievements and successes, a record of the nominee's service to NHMTA and a brief biographical sketch of the nominee.

All candidates will be reviewed by the Executive Committee, which will make the final selection by written ballot. (Of course any nominees who are on the Executive Committee will not participate in the selection process.) It is hoped that the publicity generated by this award will bring recognition to all music teachers in the state and promote excellence in teaching.
